

## The Process

The public hearings being held this week by OPPD and Fremont Department of Utilities are the start of the right-of-way acquisition process. As the graphic below shows, information gathered from each open house, along with meetings with local stakeholders, was used to select the final power line route.

## Project Schedule

If you have any questions, please contact the project information hotline at **(402) 590-8088**

or email the project team at **info@ERVTransmissionProject.com**

# Public Hearing

[www.ERVTransmissionProject.com](http://www.ERVTransmissionProject.com)

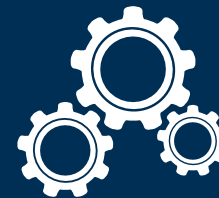

## Welcome!

The purpose of tonight's public hearing is to discuss the Elkhorn River Valley Transmission Project and answer questions. A map of the final route alignment is included inside this handout.

### Tonight's Public Hearing Schedule:

- 6:05 p.m.** Introductions and opening remarks
- 6:10 p.m.** Formal presentation
- 6:30 p.m.** One-on-one meetings with project team members
- 8:00 p.m.** Meeting concludes

### The purpose of the Elkhorn River Valley Transmission Project is to:

- Improve reliability
- Increase future opportunities for energy diversity
- Grow demand for electricity
- Economic development opportunity

## Elkhorn River Valley Transmission Project

At this hearing, OPPD shall explain the nature of and necessity for the project for which it seeks to acquire property, the reasons for selecting the particular route, the right of each owner or property to be represented by an attorney and to negotiate and accept or reject the offer of damages by which will be

sustained by the proposed acquisition, and the right to require that such damages be determined pursuant to the procedures for acquisition by eminent domain. OPPD shall hear and consider any objection from any person. Nebraska State Statute 25-2504.
